

## Space and Place in the Humanities: Theories and Applications, 7,5 ECTS

## Rumslighet och plats i modern humaniora: Teorier och tillämpningar, 7,5 ECTS

### Spring term 2023

#### **Preliminary time-table and titles (individual titles and lecturers may change, a few timeslots yet to settle)**

Course runs half-time over 10 weeks, starting from 21/3/2023. Teaching will be concentrated to full days. "Humanities labs" include field studies, group work, text seminars and method exercises. Course site will contain information for teachers and course participants, literature, reading instructions, guidelines to examination etc.

Teaching takes place on Stockholm University campus and in a few other locations in central Stockholm. One full-day excursion (field trip) takes place by bus.
